Lifetime Timeline

A block showing fewer favorable years can still read green if it has no unfavorable years — the net, not the raw count, sets the colour.

The spouse palace (day branch **In**) is activated in 2004 clash, 2004 punishment, 2007 binding, 2007 break — relationship, home, or partnership themes are more likely to surface.

2006	Bing Sul	Companion	Companion (compare rob)	✓

- **Family:** The spouse palace is both **bound and unsettled** (2004 clash, 2004 punishment, 2007 binding, 2007 break) — a phase where a bond can deepen or formalise, but with friction or change around it; read it as a window, not a guarantee.
- **Investment pattern:** A mixed phase — keep positions simple and liquidity available; a natal storehouse (Death) is clashed/punished in 2003 clash, 2003 punishment, 2006 punishment, the classical wealth storehouse 'storehouse opens' timing — the classics do not settle release vs. scatter, so treat it as a watch, not a signal; the Companion presence argues for sole holdings or partnerships with hard boundaries.

- **Wealth:** No direct Wealth stem, but **2 of 5** are Companion. The peer-drains-wealth pattern reads shared and loosely-defined money as contested here — defend rather than expand shared commitments.
- **Business:** **1 of 5** years is Authority — an institution, rank or licensed role comes to the fore. Since Authority is your unfavorable element, read this as added structure and pressure rather than a natural fit; use it to build standing, not to over-commit.
- **Family:** The spouse palace is struck or unsettled (2073 harm, 2073 punishment, 2076 clash, 2076 punishment) — better for deepening privately than for formalising commitments this phase.
- **Investment pattern:** A favorable-element phase (4/5) — the chart is in better balance, which supports planning and negotiation; a natal storehouse (Death) is clashed/punished in 2075 clash, 2075 punishment, the classical wealth storehouse 'storehouse opens' timing — the classics do not settle release vs. scatter, so treat it as a watch, not a signal; the Companion presence argues for sole holdings or partnerships with hard boundaries.

16. 2078–2082 (Ages 83–87) — Im Shin
