Lifetime Timeline

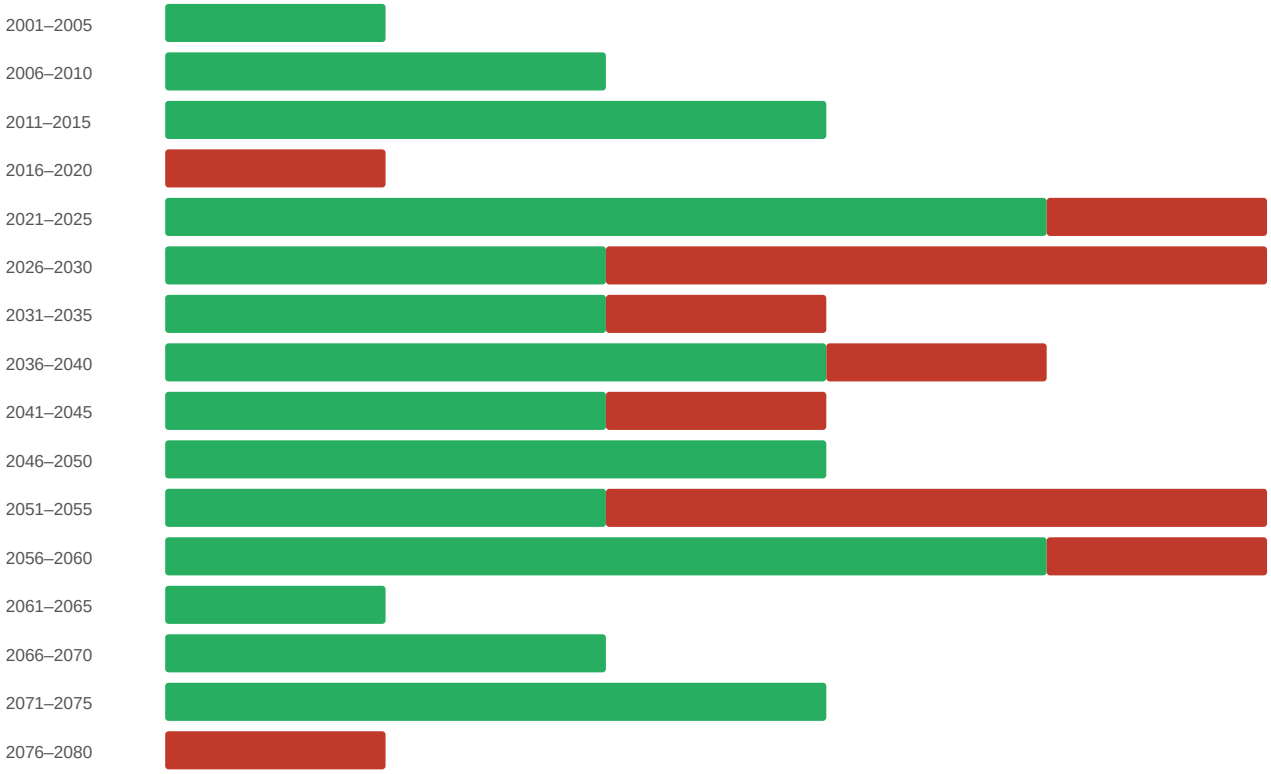

Every five-year block, colour-coded by **net** favorable lean (favorable years minus unfavorable years): green where the favorable element leads by 2+ years, red where the unfavorable leads by 2+, amber otherwise. A block showing fewer favorable years can still read green if it has no unfavorable years — the net, not the raw count, sets the colour.

Favorable-Cycle Chart

How many of each block's five years carry your favorable element.

The Five-Year Blocks

1. 2001–2005 (Ages 5–9) — Mu In (戊寅)

The decade backdrop is **Mu In (戊寅)** (Indirect Resource (偏印), Resource (印星)), with the opening five years led by **food hurt (食傷) · wealth star (財星)** annual energy. In 2001–2005, 1 year of 5 carries your favorable element (**Fire** / **Wood**) — an overall **mixed** phase. The spouse palace (day branch **戌**) is activated in 2003 break, 2003 punishment, 2003 break, 2003 punishment, 2005 harm, 2005 harm — relationship, home, or partnership themes are more likely to surface.

Year	Pillar	Ten-God	Class	Favorable?
2001	Sin Sa (辛巳)	Robber	compare rob (比劫)	—
2002	Im O (壬午)	Eating God	food hurt (食傷)	✅
2003	Gye Mi (癸未)	Hurting Officer	food hurt (食傷)	—
2004	Gap Shin (甲申)	Indirect Wealth	wealth star (財星)	—
2005	Eul Yu (乙酉)	Direct Wealth	wealth star (財星)	—

- **Wealth: 2 of 5** annual stems in 2001–2005 are Wealth — money, pricing and asset decisions are foregrounded. Treat 2001–2005 as a window to *earn and negotiate*, and to put agreements in writing.
- **Business:** Business energy is diffuse in 2001–2005; let the decade backdrop and the concrete annual pillars above guide the read.
- **Family:** The spouse palace is struck or unsettled (2003 break, 2003 punishment, 2005 harm) — better for deepening privately than for formalising commitments this phase.
- **Investment pattern:** A mixed phase — keep positions simple and liquidity available; a natal storehouse is clashed/punished in 2003 punishment, 2003 clash, 2003 punishment, 2003 punishment, the classical wealth storehouse (재고) 'storehouse opens' timing — the classics do not settle release vs. scatter, so treat it as a watch, not a signal; the Companion (비겁) presence in 2001–2005 argues for sole holdings or partnerships with hard boundaries.
