Lifetime Timeline

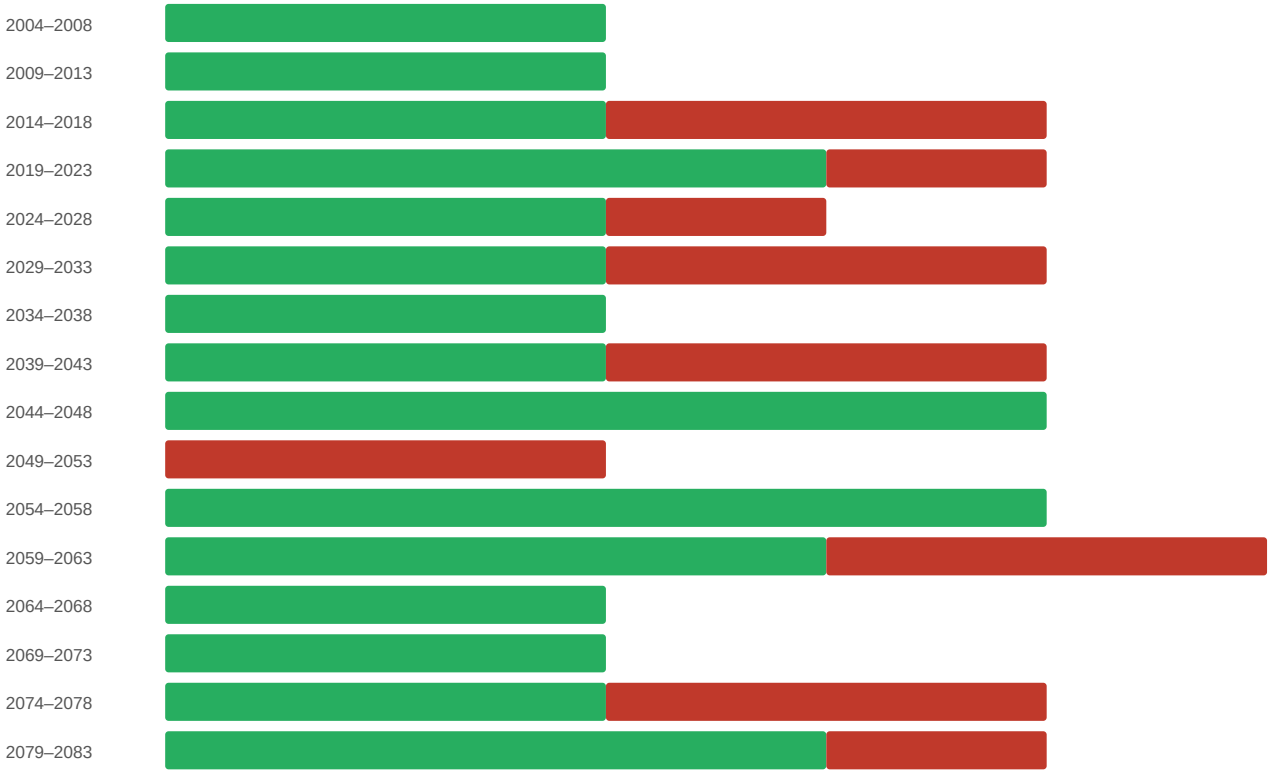

Every five-year block, colour-coded by **net** favorable lean (favorable years minus unfavorable years): green where the favorable element leads by 2+ years, red where the unfavorable leads by 2+, amber otherwise. A block showing fewer favorable years can still read green if it has no unfavorable years — the net, not the raw count, sets the colour.

Favorable-Cycle Chart

How many of each block's five years carry your favorable element.

The Five-Year Blocks

1. 2004–2008 (Ages 8–12) — Gap Sul (甲戌)

The decade backdrop is **Gap Sul (甲戌)** (Direct Wealth (正財), wealth star (財星)), with the opening five years led by **wealth star (財星)** annual energy. In 2004–2008, 2 years of 5 carry your favorable element (**Water** / **Wood**) — an overall **favorable** phase. The spouse palace (day branch 丑) is activated in 2006 punishment, 2008 binding — relationship, home, or partnership themes are more likely to surface.

Year	Pillar	Ten-God	Class	Favorable?
2004	Gap Shin (甲申)	Direct Wealth	wealth star (財星)	—
2005	Eul Yu (乙酉)	Indirect Wealth	wealth star (財星)	—
2006	Bing Sul (丙戌)	Direct Officer	officer star (官星)	—
2007	Jeong Hae (丁亥)	Seven Killings	officer star (官星)	✅
2008	Mu Ja (戊子)	Direct Resource	Resource (印星)	✅

- **Wealth: 2 of 5** annual stems in 2004–2008 are Wealth — money, pricing and asset decisions are foregrounded. Treat 2004–2008 as a window to *earn and negotiate*, and to put agreements in writing.
- **Business: 2 of 5** years in 2004–2008 are Authority — an institution, rank or licensed role comes to the fore. Since Authority (관성) is your unfavorable element, read 2004–2008 as added structure and pressure rather than a natural fit; use it to build standing, not to over-commit.
- **Family:** The spouse palace is both **bound and unsettled** (2006 punishment, 2008 binding) — a phase where a bond can deepen or formalise, but with friction or change around it; read it as a window, not a guarantee.
- **Investment pattern:** A favorable-element phase (2/5) — the chart is in better balance, which supports planning and negotiation; a natal storehouse is clashed/punished in 2006 punishment, 2006 punishment, the classical wealth storehouse (재고) 'storehouse opens' timing — the classics do not settle release vs. scatter, so treat it as a watch, not a signal.

---

2. 2009–2013 (Ages 13–17) — Gap Sul (甲戌)

The decade backdrop is **Gap Sul (甲戌)** (Direct Wealth (正財), wealth star (財星)), with the closing five years led by **compare rob (比劫) · food hurt (食傷)** annual energy. In 2009–2013, 2 years of 5 carry your favorable element (**Water** / **Wood**) — an overall **favorable** phase. The spouse palace (day branch 丑) is activated in 2012 break — relationship, home, or partnership themes are more likely to surface.

Year	Pillar	Ten-God	Class	Favorable?
2009	Gi Chuk (己丑)	Indirect Resource	Resource (印星)	—
2010	Gyeong In (庚寅)	Robber	compare rob (比劫)	—

2012	Im Jin (壬辰)	Hurting Officer	food hurt (食傷)	✅
2013	Gye Sa (癸巳)	Eating God	food hurt (食傷)	✅

- **Wealth:** No direct Wealth (재성) stem in 2009–2013, but **2 of 5** are Companion. In 2009–2013 the peer-drains-wealth (겁재奪財) pattern reads shared and loosely-defined money as contested — defend rather than expand shared commitments.
- **Business: 2 of 5** years in 2009–2013 are Output, and Output is your favorable element — the output-feeds-wealth (식상생재) chain (produce → earn) is strongest here. Across 2009–2013, independent, craft- or product-led work suits best; the classical caution is to sustain the output without draining the self.
- **Family:** The spouse palace is struck or unsettled (2012 break) — better for deepening privately than for formalising commitments this phase.
- **Investment pattern:** A favorable-element phase (2/5) — the chart is in better balance, which supports planning and negotiation; a natal storehouse is clashed/punished in 2009 punishment, 2009 clash, 2009 punishment, 2012 clash, the classical wealth storehouse (재고) 'storehouse opens' timing — the classics do not settle release vs. scatter, so treat it as a watch, not a signal; the Companion (비겁) presence in 2009–2013 argues for sole holdings or partnerships with hard boundaries.

3. 2014–2018 (Ages 18–22) — Eul Hae (乙亥)

The decade backdrop is **Eul Hae (乙亥)** (Indirect Wealth (偏財), wealth star (財星)), with the opening five years led by **wealth star (財星)** annual energy. In 2014–2018, 2 years of 5 carry your favorable element (**Water** / **Wood**), and 2 years carry the unfavorable element (**Metal**) — an overall **mixed** phase. The spouse palace (day branch 丑) is activated in 2014 harm, 2015 clash, 2015 punishment, 2018 punishment — relationship, home, or partnership themes are more likely to surface.

2062	Im O (壬午)	Hurting Officer	food hurt (食傷)	✅
2063	Gye Mi (癸未)	Eating God	food hurt (食傷)	✅

- **Wealth:** No direct Wealth (재성) stem in 2059–2063, but **2 of 5** are Companion. In 2059–2063 the peer-drains-wealth (겁재奪財) pattern reads shared and loosely-defined money as contested — defend rather than expand shared commitments.
- **Business: 2 of 5** years in 2059–2063 are Output, and Output is your favorable element — the output-feeds-wealth (식상생재) chain (produce → earn) is strongest here. Across 2059–2063, independent, craft- or product-led work suits best; the classical caution is to sustain the output without draining the self.
- **Family:** The spouse palace is struck or unsettled (2060 break, 2062 harm, 2063 clash, 2063 punishment) — better for deepening privately than for formalising commitments this phase.
- **Investment pattern:** A mixed phase — keep positions simple and liquidity available; a natal storehouse is clashed/punished in 2060 clash, 2063 punishment, 2063 clash, 2063 punishment, the classical wealth storehouse (재고) 'storehouse opens' timing — the classics do not settle release vs. scatter, so treat it as a watch, not a signal; the Companion (비겁) presence in 2059–2063 argues for sole holdings or partnerships with hard boundaries.
