Lifetime Timeline

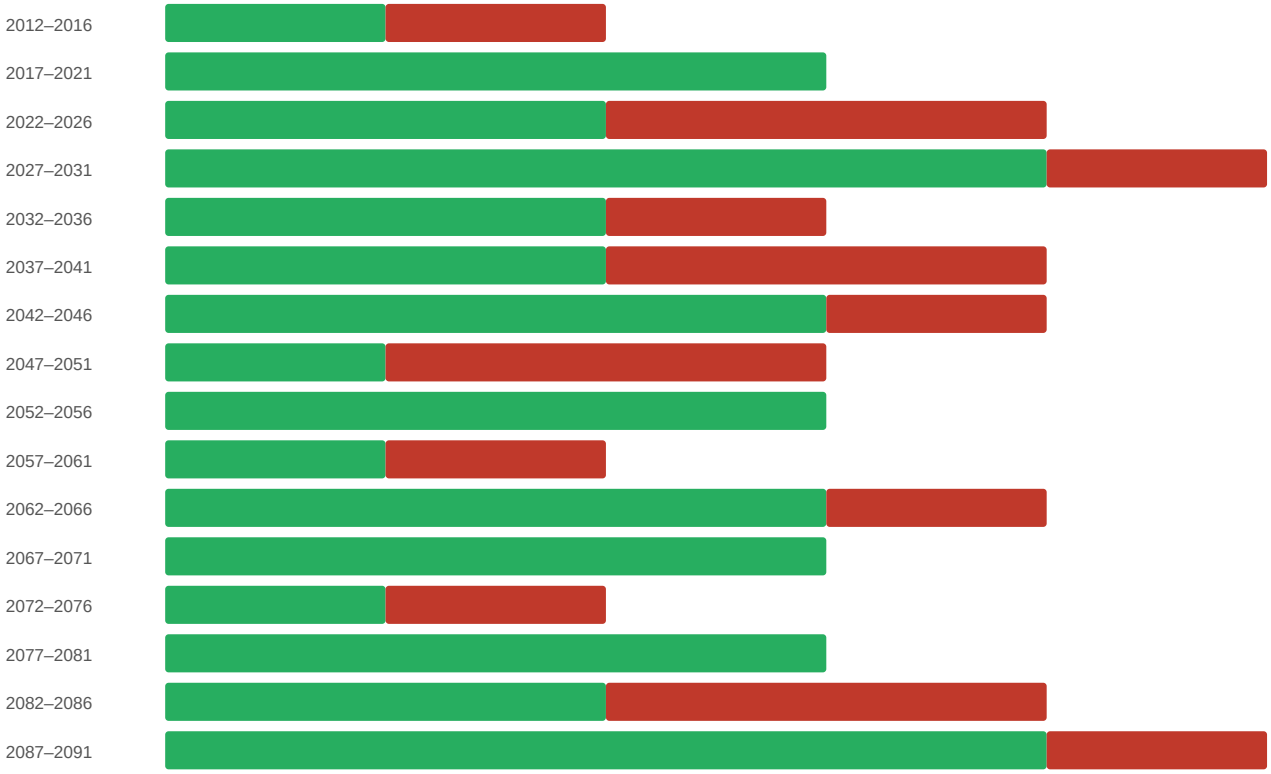

Every five-year block, colour-coded by **net** favorable lean (favorable years minus unfavorable years): green where the favorable element leads by 2+ years, red where the unfavorable leads by 2+, amber otherwise. A block showing fewer favorable years can still read green if it has no unfavorable years — the net, not the raw count, sets the colour.

The Five-Year Blocks

1. 2012–2016 (Ages 9–13) — Eul Mi (乙未)

The decade backdrop is **Eul Mi (乙未)** (Indirect Wealth (偏財), wealth star (財星)), with the opening five years led by **wealth star (財星)** annual energy. In 2012–2016, 1 year of 5 carries your favorable element (**Water** / **Metal**), and 1 year carries the unfavorable element (**Fire**) — an overall **mixed** phase. The spouse palace (day branch 丑) is activated in 2012 break, 2014 harm, 2015 clash, 2015 punishment — relationship, home, or partnership themes are more likely to surface.

Year	Pillar	Ten-God	Class	Favorable?
2012	Im Jin (壬辰)	Hurting Officer	food hurt (食傷)	✅
2013	Gye Sa (癸巳)	Eating God	food hurt (食傷)	—
2014	Gap O (甲午)	Direct Wealth	wealth star (財星)	⚠️
2015	Eul Mi (乙未)	Indirect Wealth	wealth star (財星)	—
2016	Bing Shin (丙申)	Direct Officer	officer star (官星)	—

- **Wealth: 2 of 5** annual stems in 2012–2016 are Wealth — money, pricing and asset decisions are foregrounded. Treat 2012–2016 as a window to *earn and negotiate*, and to put agreements in writing.
- **Business: 2 of 5** years in 2012–2016 are Output, and Output is your favorable element — the output-feeds-wealth (식상생재) chain (produce → earn) is strongest here. Across 2012–2016, independent, craft- or product-led work suits best; the classical caution is to sustain the output without draining the self.
- **Family:** The spouse palace is struck or unsettled (2012 break, 2014 harm, 2015 clash, 2015 punishment) — better for deepening privately than for formalising commitments this phase.
- **Investment pattern:** A mixed phase — keep positions simple and liquidity available; a natal storehouse is clashed/punished in 2015 clash, 2015 punishment, the classical wealth storehouse (재고) 'storehouse opens' timing — the classics do not settle release vs. scatter, so treat it as a watch, not a signal.

- **Business: 1 of 5** years in 2017–2021 is Authority — an institution, rank or licensed role comes to the fore. Since Authority (관성) is your unfavorable element, read 2017–2021 as added structure and pressure rather than a natural fit; use it to build standing, not to over-commit.
- **Family:** The spouse palace is both **bound and unsettled** (2018 punishment, 2020 binding) — a phase where a bond can deepen or formalise, but with friction or change around it; read it as a window, not a guarantee.
- **Investment pattern:** A favorable-element phase (3/5) — the chart is in better balance, which supports planning and negotiation; a natal storehouse is clashed/punished in 2018 punishment, the classical wealth storehouse (재고) 'storehouse opens' timing — the classics do not settle release vs. scatter, so treat it as a watch, not a signal; the Companion (비겁) presence in 2017–2021 argues for sole holdings or partnerships with hard boundaries.

- **Wealth:** No direct Wealth (재성) stem in 2067–2071, but **2 of 5** are Companion. In 2067–2071 the peer-drains-wealth (겁재奪財) pattern reads shared and loosely-defined money as contested — defend rather than expand shared commitments.
- **Business: 1 of 5** years in 2067–2071 is Authority — an institution, rank or licensed role comes to the fore. Since Authority (관성) is your unfavorable element, read 2067–2071 as added structure and pressure rather than a natural fit; use it to build standing, not to over-commit.
- **Family:** The spouse palace is **bound** (2068 binding) — meetings and formal commitments cluster here; read it as a window for deepening or formalising a bond.
- **Investment pattern:** A favorable-element phase (3/5) — the chart is in better balance, which supports planning and negotiation; the Companion (비겁) presence in 2067–2071 argues for sole holdings or partnerships with hard boundaries.

13. 2072–2076 (Ages 69–73) — Sin Chuk (辛丑)

The decade backdrop is **Sin Chuk (辛丑)** (Companion (比肩), compare rob (比劫)), with the opening five years led by **food hurt (食傷) · wealth star (財星)** annual energy. - **Family:** The spouse palace is struck or unsettled (2072 break, 2074 harm, 2075 clash, 2075 punishment) — better for deepening privately than for formalising commitments this phase.
- **Investment pattern:** A mixed phase — keep positions simple and liquidity available; a natal storehouse is clashed/punished in 2075 clash, 2075 punishment, the classical wealth storehouse (재고) 'storehouse opens' timing — the classics do not settle release vs. scatter, so treat it as a watch, not a signal.
